**Attachments:** DPA application chart 080619.docx

Hi Jeff,

As discussed, I've attached our Permit Applications Status Table for each **Deep Water Port** project, that includes a list of each person in our group that is assigned a discrete project currently. ***Just a quick caution, here – please do not release this chart outside of the agency (internal only since deliberative information).***

Can you please get us a copy of any draft EIS submittals that you might get? We would so appreciate you forwarding any individual submittal to the designated permit lead (first column on the table) for that project, *with a copy* to myself, Jeff Robinson, and Tina Alvarado (legal lead for these projects), so that we can be sure and provide a quick review of the EIS for each project and coordinate appropriately with stakeholders in a timely manner. Thank you so much, Jeff! If you have any questions, just let me know.
